It's on tonight. Bring your dirty attitudes and pretty faces to our woefully under-prepared abode this evening for a lot of loud stuff and filthy touching. If you have never been to our pad, you should know that I'm am the worst kind of lazy savage and I have barely done anything to get ready for this party. I think I put maybe one heart-shaped sticker on the floor and I might take the trash out, but I can't make you any promises. W have no refreshments or anything so please bring booze/cups/ice/mixers if you are able. It's been a meager couple of months and I'm afraid my offerings will be mostly confined to the carnal.

I'm happy to announce however, that the gracious Mr. DJ Gabriel has pledged to lend his immortal technique to our entertainment department. I'm set on having a sort of communal arrangement though, so expect a mixed bag of love jams from the collections of various talents. If you have something you'd like played, please bring some of it and I'll run it by our all-star panel of quality taste-makers for inclusion. There may also be some other fun activities if I can make myself pull the strings. Ideas and assistance would be greatly appreciated.

We stay in a warehouse around the Deep Ellum/Fair Park area. There should be plenty of parking, but it's easy to make the trip on foot if you're at Double Wide or Expo Park. Please keep it indoors and if you smoke, try to keep it in the back. We have no neighbors. There are breakables arranged sporadically, so keep watch. Please take your anti-depressants. Try not to break any ass on a skateboard. Looking to get started around 11p/12a and maybe you can crash on something if you need to.

My phone number is 214-290-5706.

::BREAKING DEVELOPMENT::

I must report that my beautiful animal companion, the cat, Chonbo has sustained an injury that required some very costly veterinary attention this morning. He is a marvelous creature and he is very sad right now, so help me keep an eye on him. In the coming weeks I NEED to have him vaccinated and neutered so he can calm down and stay out of trouble. I am making some sort of donation box available tonight and would appreciate it greatly if you could donate in rough proportion to the amount of fun you intend to have tonight.
